

TSHEGOFATSO ASHLEIGH MGIBA

+27 81 503 8545 | tshegofatsononyane009@gmail.com | Pretoria & Johannesburg

PROFILE

Detail-oriented Software Developer with a Diploma in Information Technology (Software Development) and hands-on experience in WordPress development, web applications, CRM automation, and responsive website development. Skilled in building and maintaining modern websites using technologies such as React, TypeScript, and Tailwind CSS. Comfortable working independently and with clients, with a strong focus on website performance, usability, and problem-solving. Passionate about creating clean, functional, and user-friendly digital experiences while continuously improving technical and design skills.

EXPERIENCE

Rotational Internship

Sep 2025 – Aug 2026

Aucrada — Full Stack Developer

Feb 2026 – Aug 2026

- Built and maintained responsive frontend components for web applications across multiple devices.
- Translated UI/UX designs into functional, consistent interfaces with attention to detail.
- Collaborated with backend developers and designers to support feature development and integration.
- Improved overall user experience through interface refinements and layout enhancements.

Asante Tech Solutions — CRM Automation & Web Development

Sep 2025 – Feb 2026

- Supported CRM automation workflows to improve client data handling and operational efficiency.
- Built and updated WordPress websites including layout adjustments and plugin configuration.
- Contributed to workflow automation initiatives aimed at reducing manual processes.

Tshimologong Digital Innovation Precinct — Full Stack Software Developer Intern

Jul 2024 – Jun 2025

- Built scalable web applications using the MERN stack.
- Contributed to UI/UX design and wireframing using Figma.
- Collaborated in Agile teams, consistently meeting project timelines.

PROJECT EXPERIENCE

Histakes Mobile App

- Built a competitive gaming platform using React + TypeScript with Vite.
- Implemented wallet, match flow, social feed, and notifications features.
- Styled with Tailwind CSS, Material UI, and Radix UI.
- Developed backend services with Supabase (PostgreSQL, Auth, Realtime, Storage, Edge Functions).
- Added PWA support with service workers and offline capability using Workbox.

House of Mash — Informational Website

- Designed and developed a responsive informational website for House of Mash.
- Built the website using TypeScript and Tailwind CSS.
- Created a clean and user-friendly interface to present information about the organisation.
- Implemented responsive layouts for desktop, tablet, and mobile devices.

Tech Blog

- Implemented user authentication with JWT (register/login) using TypeScript.
- State management using Redux with TypeScript.
- Styled with Tailwind CSS; MERN backend supporting blog CRUD and secure sessions.

SKILLS

Languages: JavaScript, TypeScript, Java, C#, Kotlin, HTML, CSS

Frameworks / Libraries: React.js, Express.js, Node.js, Firebase, Tailwind CSS

Databases: MySQL, MongoDB, Firebase, IndexedDB, PostgreSQL, Supabase

AI & Tools: Cursor, ChatGPT, Git, GitHub, GitHub Copilot, Visual Studio, Figma, Azure DevOps, Axure

AI & Design: Artificial Intelligence Fluency, Prompt Engineering, Wireframing, Prototyping, UI/UX Design, Graphic Design

Methodologies: Agile, Scrum

Soft Skills: Problem Solving, Communication, Time Management, Teamwork, Adaptability

Other: SEO basics, Responsive design, Website maintenance, CRM automation

EDUCATION

IIE Rosebank College

Diploma in Information Technology (Software Development)

2021 – 2023

Pretoria Central High School

Matric

2015 – 2019

CERTIFICATIONS

- Web Development & Design Certificate – Oasis Infobyte (2024)
- Artificial Intelligence Fluency Certificate – Microsoft (2025)
- Graphic Design Certificate – Oasis Infobyte (2025)
- Full-Stack Software Development Certificate – FNB App Academy (2025)
- Internship Completion Certificate – Tshimologong Precinct (2025)

LANGUAGES

English (Fluent), Northern Sotho (Native), IsiZulu (Conversational), Afrikaans (Basic)
